

# Blwyddyn 5/6 Homework Grid – Disasters

Please spend quality time with your child completing some activities on this grid. There are 6 areas in total to work through; we expect your child to complete **at least 4** by **9th February 2024**. All activities have 3 'layers' that learners can choose to complete. For example they can choose the must, should or could statement for each activity—or even complete them all!

## Languages, Literacy and Communication Disaster Vocabulary

**Could:** Write a story that must include a fatal disaster and try to use words from your word bank.

**Should:** Write a script and record yourself presenting an educational video all about famous disaster through time.

**Must:** Watch a YouTube video of a natural disaster (earthquake, tornado, hurricane, etc.) and create a word bank of adjectives to describe it.

## Mathematics and Numeracy

### Disasters by Numbers

**Could:** Use a Venn diagram to compare the effects of the Gresford & Aberfan mining disasters.

**Should:** Order and compare the death rate of 5 different disasters.

**Must:** Create a 100 grid square and highlight different times tables in different colours.

## Health and Wellbeing

### Home Survival

**Could:** Create a shoebox model of your den using clean recycling materials from home.

**Should:** Draw a plan of your den and label it.

**Must:** Build your own survival shelter/den to protect you at home from a natural disaster. Tweet us your pictures.

Tweet us your homework @alexceptweets

Could complete on Google Classroom

## Expressive Arts

### Disasters Aftermath

**Could:** Sketch the landscape of Aberfan after the coal mine disaster. Use paints or pastels to add subtle colour.

**Should:** Create a collage of the landscape after a disaster has occurred.

**Must:** Follow tutorial on "How to Draw a Tornado!"

## Science and Technology

### Volcano Volcano Volcano

**Could:** Build your own erupting volcano.

**Should:** Draw and label a picture of a volcano.

**Must:** Research a list of active volcanoes from around the world and how often they erupt.

## Humanities

### Deadliest Disasters

**Could:** Create a timeline and plot on it 10 different disasters.

**Should:** Label a map of the world and plot where different disasters have occurred.

**Must:** Research a deadly disaster that has affected the planet.
